To Whom It May Concern:

Re: Reference for Jennifer Steele

Jennifer is an extraordinary realtor. My husband and I contacted Jennifer to list our home after hearing of her outstanding ability as a realtor. At first, we attempted to sell our home on our own. Unfortunately, it just didn't work. When we listed our home with Jennifer, we had three families visit our home in the first week! Jennifer was always courteous of our families schedule when she organized showings of our home.

Jennifer was successful selling our home. She made the whole process painless. She works well with other realtors in the area and does everything she can do to make the home buying/selling process worry-free. She has extensive knowledge of the mortgage system and has many contacts within the area. She helped us with the mortgage process and gave us a recommendation of an excellent attorney.

I highly recommend Jennifer to become your realtor. She will be a great asset to selling or purchasing your home. If you would like to contact me for further information, my phone number is 724-463-1453.

Sincerely,
